

# Sigma CAFÉ

## CONVENIENCE HAS NEVER TASTED SO GOOD

### Superior Taste

*Freshness + Precision = Quality*

Beans are precisely ground and freshly brewed for every vend to ensure an outstanding drink is served every time.

*Upsell and Promote!*

### Advertising Opportunities

Take advantage of the 20" media screen to generate advertising revenue and boost drink sales.

### Easy as 1-2-3

*Hot drinks at the tap of a button!*

The Cafe couldn't be more straightforward to use.  
1. Insert payment 2. Select drink & extras 3. Take drink & enjoy!

*Save the planet - refill*

### Use Your Own Cup or Mug

The Cafe features a cup sensor. Users can place their own cup or mug in the dispense area to fill with their favourite hot drink. Reduce waste and boost your Green credentials by encouraging customers to embrace this feature.

OR

The machine will vend a 7oz, 9oz or 12oz cup.

## EXCEPTIONAL COFFEE - FLUFFY HOT CHOCOLATE - FRESH BREW TEA - DELICIOUS SYRUP SHOTS

Real, fresh coffee • Add the syrup shots of your choice • User friendly operation

Advertise on 20" media screen • Use your own cup, mug or jug • Custom branding available

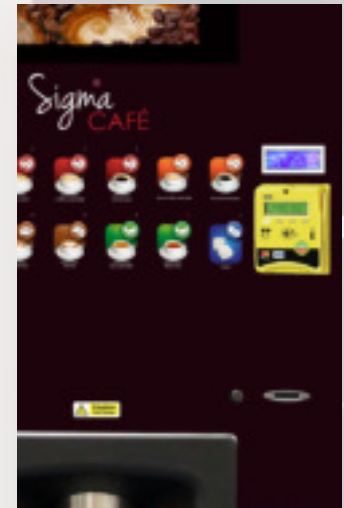

### Fresh Coffee in Seconds

Time is precious when you are on the go but that doesn't mean you should compromise on quality. The Cafe grinds beans fresh for every cup and serves a range of delicious beverages in under 50 seconds.

### Cup Sensor

In the light of revelations about coffee cups ending up in landfill, the Sigma range of machines all include a cup sensor, enabling users to refill their mugs and cups and thereby cutting costs and reducing waste.

### Payment Systems

Make money from your machine by adding a payment system. Sell your premium coffee at a premium price and let customers use their preferred payment method - whether its cash, card or contactless.
