Fresh Leaf Tea

As well as bean to cup coffee, the Simplicity serves delicious fresh leaf tea. The brewing process ensures every ounce of flavour is extracted from the leaves for a delicious, full-bodied drink every time.

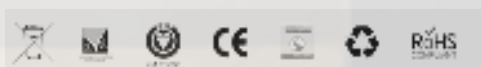

Customisation

Want to stand out?
Add an eye catching custom branding wrap to promote your own company or choose a coffee brand to draw customers to your machine.

Cup Sensor

In the light of revelations about coffee cups ending up in landfill, the Sigma range of machines all include a cup sensor, enabling users to refill their mugs and cups and thereby cutting costs and reducing waste.
