Trio

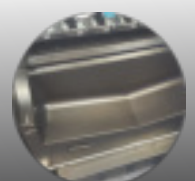

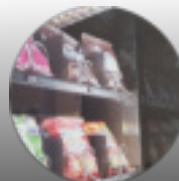

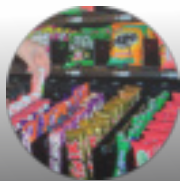

Industry-leading machines for snack and cold drink vending

The Snackpoint range is designed to be operator friendly; featuring lightweight shelves for simple stocking, alongside a slide out refrigeration unit for effortless maintenance. Peace of mind is paramount with the Health Control feature, ensuring that food is kept fresh and safe to eat.

Products are brilliantly illuminated with powerful LED lights for energy efficiency and visual appeal to save you money and encourage customers to spend theirs. Touch screen menu on the Duo models means advertising revenue and brand awareness as well as a user-friendly experience, encouraging repeat custom.

Outside the box: why not utilise a spiral vending machine to dispense other products? Soap, bags, you name it!
